**REQUEST FOR RECONSIDERATION OF  
DISMISSED PETITION TO REVIVE**

Mail Stop PETITION  
Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Date: March 9 , 2007

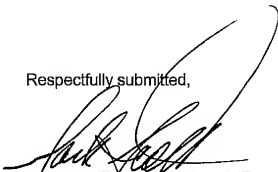

Sir:

The Petition to Revive under 37 C.F.R. 1.137(b) submitted on July 24, 2006 was dismissed on November 16, 2006, indicating that the Response that accompanied the Petition was incomplete in failing to provide a new oath or declaration. However, and as stated in the Response that accompanied the petition (in the section titled "Recordation of Substance of Interview"), by way of a telephone conference held July 24, 2006 the Examiner waived the requirement for a new oath or declaration.

Furthermore, the Applicants, by and through the undersigned counsel, held an Applicant initiated teleconference with Mr. Randy Green of the petitions branch on March 9, 2007. The Petition was discussed, along with the now-waived requirement for the new oath or declaration. Mr. Green agreed that, given the agreement of the application examiner that a new oath or declaration was not needed, and that the petition was with respect to a non-final Office action, the petition should not have been dismissed. Thus, Applicants respectfully request reconsideration of the previously presented Petition to Revive.

It is believed that no extensions of time or fees are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required (including fees for net addition of claims) are hereby authorized to be charged to Texas Instruments, Inc. Deposit Account No. 20-0668.

Respectfully submitted,
